ORDER

VERNON S. BRODERICK, United States District Judge:

Because I find that Plaintiffs have satisfied the requirements of Federal Rules of Civil Procedure 23(a) and 23(b)(3), Plaintiffs' motion for class certification, (Doc. 201), is GRANTED.

A Memorandum and Opinion explaining my decision has been filed under seal because it may reference or rely upon material that the parties believe should be redacted. A copy of the Memorandum and Opinion has also been emailed to the parties. By April 14, 2017, the parties shall meet and confer with regard to the contents of the Memorandum and Opinion and provide me with their suggested redactions and a joint letter setting forth any disputes and the parties' respective position regarding each such dispute. I will consider the parties' suggested redactions and their joint letter and will then have a redacted version of the Memorandum and Opinion filed on the docket.

SO ORDERED.
